Attn: Mr. [REDACTED]
Finance Division

Delegation of Authority in Clothing Allowances

*authorization Delegation of
authority*

25X1A9a

1. In a memorandum dated 22 September 1952 the Chief, EE Division delegated to Mr. [REDACTED] the authority to approve authorizations for clothing allowances for enlisted personnel.

2. It does not appear that this authorization is acceptable. Clothing allowances are provided for in Paragraph 6.5 and 6.7 f(3) of the Confidential Funds Regulations. 6.5 of the Confidential Funds Regulations provides that the Assistant Director may approve allowances for enlisted men. 6.7 f provides that the Deputy Director may grant such allowances. Under neither does it appear that the Chief of a Division would have authority to approve clothing allowances and accordingly could not further delegate this authorization.

3. If it is desired that Mr. [REDACTED] approve clothing allowances, it is suggested that delegations of authority be procured as required by the regulations cited.
